## Message from the President

Shirley Frost

On May 10, 2011 we held our Annual General Meeting. It was a bit of a disappointment as, of all the memberships and families that use the Athlone Community League facilities, we were only just able to make a quorum. On the brighter side we were happy to welcome two new board members, Mike Drechsler and Debbie Riddle.

The Board works very hard to ensure that there is a safe environment for your children to play and learn. We will again be holding the Green Shack Program from the beginning of July to the End of August In the Athlone Community Hall playground. It is a drop in program running daily Monday to

Friday with no registration required, where the kids play games and take part in activities to brighten their summer. We have the spray deck in the playground open again.

These are just a few things the community league provides. If the residents of Athlone wish to have sports programs such as Baseball, Soccer, Ice rink and Hockey rink and the other activities that we offer such as Swim Passes with the Membership, Halloween Party and other socials, then we need your help! We need people to come forward and volunteer in order for the community league to be sustained.

I would like to thank the past and Present board members for the hard work they do. Everyone is welcome to attend the community league meetings on the second Wednesday of every month over the summer. Come out have a coffee and see what these people do. There may even be something that you could help out with for a couple hours a month.
